

Prayer Chain

If you have a request for the Prayer Chain, please contact Pastor Phil (4253) or Jessica (3966) and they will start the chain. If they are not available please call the first person on each list below with your prayer request.

****Please remember that our objective for the prayer chain is to get as many people praying as quickly as possible. Write down the request just as you receive it, pass it on to the next person on your list and then spend time in prayer. If you cannot reach the person following you leave a message, go to the next number on the list and try to reach the one who follows you later. Keep calling down the list until you actually speak to someone. Thank you for your commitment to prayer!**
